

Location Options

J. R. Robson School Gym

- Fire Code capacity - 870

- Each graduate will have 2 seats in the first two rows saved for them
- Will have risers and chairs brought in from Buffalo Trail
- Extra school chairs will be used
- No rental fee
- Able to set up gym two or three days ahead of time to allow for better rehearsal and gives decorating committee more time
- Take down will happen after the event
- Can be warm, but could bring in fans for the days before to circulate air
-could have a cost associated with it
- Can use our own AV stuff or hire
- use of our own will require someone to work with it for the event (a volunteer or teacher)
- could hire the group we have used in the past few years (approx. cost \$4000)
- Will be able to make it accessible for everyone

J. R. Robson School Field

- Can seat approximately 600 people with the chairs that we have
- Each graduate will have 2 seats in the first two rows saved for them
- Will have riser and chairs from Buffalo Trail
 - in 2023 - facilities helped with the setup of the stage
- Will need to bring chairs to the field
- No rental fee
- Does have to be weather permitting
 - decision will be made approximately 48 hours before the event
- Some decorating can be done night before and some morning of
- Take down will happen after the event
- Can be warm or cool
 - families will need to plan for this
- Would need to hire AV specialists (approximate cost \$4000)
- Will be able to make it accessible for everyone

Vermilion Regional Center

- Fire code capacity - 785
- Each graduate will have 2 seats in the first two rows saved for them
- Will need to haul chairs, podium and other stuff to and from school
- Will have risers and chairs from Buffalo Trail
- Will have a bill for rental of \$1400 that will come from the grad fees

- Set up and Decorating will have to be done the day before
- Taken down and cleaned up by 11pm of grad day

- Does have air conditioning
- Doesn't have wifi so if live streaming is wanted you will need to hire an outside group to do it
-cost can be between \$1000-\$4000
